

Strike up a friendship with new **PARLIAMENT**

More expensive tobaccos... you can tell by the flavor!

WIFE: Check! Your move, dear.

HUSBAND: Have a cigarette, friend. New Parliament. Darn good smoke.

WIFE: Check!

KIBITZER: Well, I... thanks. Good-looking box. I like that recessed filter.

HUSBAND: Sure, try 'em. They use more expensive tobaccos. You can tell.

WIFE: Check... it's still your move, dear.

The filter's right where it belongs

recessed to keep it away from your lips!
